Translation

■ The light is off. I am waiting. Who brings furniture at night?

The light goes on. Karen and Freja stand in the doorway with a green armchair, and Findus slips in behind them.

It is midnight. Someone opens the door and turns on the light.

■ Who is there?

○ Shh! It is us.

▲ Hello. It is an armchair. It is a gift for you.

■ It is midnight! Why come now?

▲ You need furniture. The flat is still empty.

○ There is lots of furniture in Grandma's cellar. This chair is hers too.

■ Thank you very much. Come during the day too, all right?

▲ I do not have time during the day.

Findus jumps into the armchair and curls up.

○ Look! Findus is already in the chair.

Karen and Freja look at each other.

■ Is the yellow sofa in the bathroom yours too?

▲ A sofa? In the bathroom?

○ We do not know.

▲ Ask Findus. Good night!

The door closes. A green armchair stands in the middle of your flat, and Findus is asleep in it as if it had always been his. Your empty suitcase is gone: Karen has taken it up to the attic.
